

The Landings Neighborhood Watch Annual Report

1. There are currently 143 registered members of the NW and 6 Block Watch Zone Captains.
2. To cover the additional development areas we have added 4 Proposed Block Watch Zones for a total of 14.
3. So far 2014 is shaping up as a relatively average year for crime in The Landings compared to the last two years and much better than 2011:

Landings Crime Stats					
YEAR	2011	2012	2013	2014	TOTAL
REPORTED CRIMES	28	16	14	6	64
No. MONTHS TRACKED	8	12	12	5	37

4. For anyone interested in serving their community the Chairmanship of the Landings Neighborhood Watch Subcommittee is available for a BOD approved volunteer. Also there are still Block Watch Zones that do not have a Block Watch Captain.
